If your child is absent from school you need to contact us each day by 9am. If you do not contact us we will be contacting the Education Welfare Officer who will make a home visit.

We have a duty of care to ensure your child is safe.

As per NHS guidance if your child has a sickness or stomach bug they must remain off school, until they have been 48 hours clear.

If your child uses an inhaler please supply school with one, in a box with a named prescription label on the box.

We can only issue children under six years old, with prescribed Medication. Children over six can be given medicines such as Piriton or Calpol, but it must be provided by the parent.

All medication must be handed in at the office, where you will be required to fill in a consent form.
