Aims

This Complaints Policy is based on the principle that concerns expressed by a pupil, parent or any other individual or organisation should be resolved as quickly as possible without the need to escalate to the formal stages of the procedure. However, where resolution has not been achieved and the person raising the concern is unhappy and wishes to take the matter further, the formal procedure for dealing with complaints will be followed.

Who can make a complaint?

This complaints procedure is not limited to parents or carers of children that are registered at the school. Any person, including members of the public, may make a complaint to St John's First School about any provision of facilities or services that we provide. Unless complaints are dealt elsewhere under separate statutory procedures (such as appeals relating to exclusions or admissions) or complaints directly to the trust about the trust, we will use this complaints procedure.

The difference between a concern and a complaint

A concern may be defined as *'an expression of worry or doubt over an issue considered to be important for which reassurances are sought'*. For example, a concern regarding homework for a particular subject should be raised with the subject teacher, or a concern about a friendship with another child could be raised with the form tutor

A complaint may be defined as *'an expression of dissatisfaction however made, about actions taken or a lack of action'*.

It is in everyone's interest that concerns and complaints are resolved at the earliest possible stage. Many issues can be resolved informally, without the need to use the formal stages of the complaints procedure. St John's First School takes concerns seriously and will make every effort to resolve the matter as quickly as possible.

If you have difficulty discussing a concern with a particular member of staff, we will respect your views. In these cases, we will refer you to another staff member. Similarly, if the member of staff directly involved feels unable to deal with a concern, we will refer you to another staff member. The member of staff may be more senior but does not have to be. The ability to consider the concern objectively and impartially is more important.

We understand however, that there are occasions when people would like to raise their concerns formally. In this case, St John's First School will attempt to resolve the issue internally, through the stages outlined within this complaints procedure.

Scope of this complaints procedure

This procedure covers all complaints about St John's First School, other than complaints that are dealt with under other statutory procedures, including those listed below. For complaints against the trust please refer to the trust complaints procedure located on www.penkvalley.co.uk

Concerns

How to raise a concern

A concern can be made in person, in writing or by telephone.

What will happen

Senior staff / office will be made aware, and the concern will be looked into locally, by a member of staff.

If the concern is raised at or near the end of term it may be that the concern is not looked into until the school returns.

What sort of outcome could I expect.

Concern has been looked into, and reassurances can be made or

Concern has been looked into, but reassurances cannot be made. Further actions may be put in place to address or correct concern.

What correspondence could I expect.

Reassurances or actioned matters to enable reassurance may be conveyed verbally or in writing. Once issued there will be no further follow up.

Complaints

How to make a complaint

At the end of this document is a complaints form, including an email address when completing this document will help speed up the process. You will be asked to complete this form if it has not been done so.

In accordance with equality law, we will consider making reasonable adjustments if required, to enable complainants to access and complete this complaints procedure. For instance, providing information in alternative formats, assisting complainants in raising a formal complaint or holding meetings in accessible locations.

Anonymous complaints

We will not normally investigate anonymous complaints. However, the head teacher or Chair of Governors, if appropriate, will determine whether the complaint warrants an investigation.

Time scales

You must raise the complaint within three months of the incident or, where a series of associated incidents have occurred, within three months of the last of these incidents. We will only consider complaints made outside of this time frame if there are very exceptional circumstances.

Complaints received outside of term time

We will consider complaints made outside of term time to have been received on the first school day after the holiday period.

External bodies

If other bodies are investigating aspects of the complaint, for example the police, local authority (LA) safeguarding teams or Tribunals, this may impact on our ability to adhere to the timescales within this procedure or result in the procedure being suspended until those public bodies have completed their investigations. If this happens, we will inform you of a proposed new timescale.

If a complainant commences legal action against St John's First School in relation to their complaint, we will suspend the complaints procedure until those legal proceedings have concluded.

Complaints aired on social media will not be investigated until a formal complaint has been received via the approved channels. Be aware that social media and associated responses may cause damage or render the complaint invalid as we have not had the opportunity to resolve the issue first.

Resolving complaints

At each stage in the procedure, St John's First School wants to resolve the complaint. If appropriate, we will acknowledge that the complaint is upheld in whole or in part. In addition, we may offer one or more of the following:

- an explanation
- an admission that the situation could have been handled differently or better
- an assurance that we will try to ensure the event complained of will not recur
- an explanation of the steps that have been or will be taken to help ensure that it will not happen again and an indication of the timescales within which any changes will be made
- an undertaking to review school policies in light of the complaint
- an apology.

Withdrawal of a complaint

If a complainant wants to withdraw their complaint, we will ask them to confirm this in writing, either email or letter to

office@stjohnsbishopswood.org

St John's First School, Whiteoaks Drive, Bishops Wood, Stafford, ST19 9AH

Stage 1 – Formal complaints

Formal complaints must be made to the head teacher via the school office email (unless they are about the head teacher). This may be done in person, writing or on email (preferably with the completed complaint Form).

The school will acknowledge receipt of the complaint in writing (either by letter or email) within **10** school days, this may come from the school office or the Headteacher directly.

Within this response, we will seek to clarify the nature of the complaint and what outcome the complainant would like to see. If not already completed, the complainant will be asked to complete the complaint form to aid the process.

Upon receipt of the clarification and the completed complaint form, the headteacher or another member of the schools SLT will investigate the complaint. *Note: The head teacher may delegate the investigation to another member of the school's senior leadership team but not the decision to be taken.*

Complaints are broken down as follows to ensure we can deal with and manage the resources required to investigate and review complaints.

- [Complaint about a school Process, Policy or Rule](#)
- [Complaint about School staff actions or decisions but not Headteacher](#)
- [Complaint about the headteacher](#)
- [Complaint about LGC Governors actions \(but not Chair\)](#)
- [Complaint about the Chair of Governors](#)
- [Complaints about the Trust](#)
- [Any other complaint not covered under the exemptions](#)

During the investigation, the Head teacher (or another instructed by the headteacher to investigate) will:

- If necessary, interview those involved in the matter and/or those complained about, allowing them to be accompanied if they wish
- keep a written record of any meetings/interviews in relation to their investigation.

At the conclusion of their investigation, the head teacher will provide a formal written response within **15** school days of the date of receipt of the complaint.

If the head teacher is unable to meet this deadline, they will provide the complainant with an update and revised response date.

The response will detail any actions taken to investigate the complaint and provide a full explanation of the decision made and the reason(s) for it. Where appropriate, it will include details of actions St John's First School will take to resolve the complaint.

- A complaint about a school process, policy or rule – will be reviewed by Chair of Governors
- Complaint about school staff actions or decisions but not headteacher – will be reviewed by SLT member or another headteacher from within the trust.
- Complaint about LGC governor's actions (but not chair) – reviewed by either the Chair of Governors or the headteacher not party to the original investigation
- Any other complaint not covered under the exemptions – will be reviewed by the Chair of Governors

Process for the review.

1. Request to review must be received in writing within **5** school days
2. Email the school Clerk asking for a review.
3. Your email will be acknowledged within **5** school days
4. Review will take place within **15** school days
5. Outcome letter will be sent within **5** school days of the review taking place.

If the outcome is delayed for any reason this will be communicated before the deadline, as chair of governors are volunteers it is possible the time frames may need to be extended to accommodate their other commitments

Stage 2 – Escalated Formal complaint

If the complainant is dissatisfied with the outcome at Stage 1 review and wishes to take the matter further, they may escalate the complaint to Stage 2. Please note that both the stage 1 complaint and stage 1 review must be completed before a stage 2 escalation can take place.

For policy complaints where there is no danger to pupils or significant risk the stage 2 complaint will be brought before the LGC at the next available meeting as a confidential agenda item.

For all other complaints a panel consisting of at least three people who were not directly involved in the matters detailed in the complaint, with one panel member who is independent of the management and running of the school. This is the final stage of the complaints procedure.

A request to escalate to Stage 2 must be made to the Clerk, via the school office, within **5** school days of receipt of the Stage 1 response. office@stjohnsbishopswood.org

The Clerk will record the date the complaint is received and acknowledge receipt of the complaint in writing (either by letter or email) within **10** school days.

Requests received outside of this time frame will only be considered if exceptional circumstances apply.

The Clerk will write to the complainant to inform them of the potential dates of the meeting. Three dates will be proposed. They will aim to convene a meeting within **30** school days of receipt of the Stage 2 request. If this is not possible, the Clerk will provide an anticipated date and keep the complainant informed. If the complainant rejects the offer of three proposed dates, without good reason, the Clerk will decide when to hold the meeting. If the complainant is unable to attend then the meeting will proceed in their absence on the basis of written submissions from both parties. The clerk will at the same time request copies of any further written material to be submitted to the committee no later than **10** school days after the stage 2 request.

A complainant may bring someone along to the panel meeting to provide support. This can be a relative or friend. Generally, we do not encourage either party to bring legal representatives to the committee meeting. However, there may be occasions when legal representation is appropriate. For instance, if a school employee is called as a witness in a complaint meeting, they may wish to be supported by union and/or legal representation.

*Note: Complaints about staff conduct will not generally be handled under this complaints procedure. Complainants will be advised that any staff conduct complaints will be considered under (Human Resources) staff disciplinary procedures, if appropriate, but outcomes **will not** be shared with them.*

Representatives from the media are not permitted to attend.

At least **5** school days before the meeting, the Clerk will:

- Confirm and notify the complainant of the date, time and venue of the meeting, ensuring that, if the complainant is invited, the dates are convenient to all parties and that the venue and proceedings are accessible

Any written material will be circulated to all parties at least **5** school days before the date of the meeting. The committee will not accept, as evidence, recordings of conversations that were obtained covertly and without the informed consent of all parties being recorded.

The committee will also not review any new complaints at this stage or consider evidence unrelated to the

initial complaint to be included. New complaints must be dealt with under Stage 1 of the procedure.

The meeting will be held in private. Electronic recordings of meetings or conversations are not normally permitted unless a complainant's own disability or special needs require it and with prior knowledge and consent of all parties attending which must be sought before meetings or conversations take place. Consent will be recorded in any minutes taken.

The committee will consider the complaint, and all the evidence presented, so the information provided must be concise.

The committee can:

- uphold the complaint in whole or in part
- dismiss the complaint in whole or in part.

If the complaint is upheld in whole or in part, the committee will:

- decide on the appropriate action to be taken to resolve the complaint
- where appropriate, recommend changes to the school's systems or procedures to prevent similar issues in the future.

The Chair of the Committee will provide the complainant and St John's First School with a full explanation of their decision and the reason(s) for it, in writing, within **10** school days.

Unreasonable Complaints

Most complaints raised will be valid and therefore will be treated seriously. However, a complaint may become unreasonable if the person:

- Makes a complaint that is obsessive, persistent, harassing, prolific, defamatory or repetitive.
- Insists on pursuing a complaint that is unfounded, or out of scope of the complaints procedure, beyond all reason.
- Pursues a valid complaint, but in an unreasonable manner e.g. refuses to articulate the complaint, refuses to co-operate with this complaints procedure, or insists that the complaint is dealt with in ways that are incompatible with this procedure and the time frames it sets out.
- Makes a complaint designed to cause disruption, annoyance or excessive demands on the school or Trust time.
- Seeks unrealistic outcomes, or a solution that lacks any serious purpose or value.
- Has made the same complaint before, which has already been resolved by following the Trust's complaints procedure.
- A complaint may also be considered unreasonable if the person making the complaint does so:
 - Aggressively
 - Using threats, intimidation, or violence.
 - Using abusive, offensive, or discriminatory language.
 - Knowing it to be false.
 - Using falsified information.

Every reasonable step will be taken to address the complainant's concerns and give them a clear statement of the School/Trust's position and their options. The Trust will maintain the role as an objective arbiter throughout the process, including meetings with individuals.

If the complainant continues to contact the School/Trust in a disruptive way, communications strategies may be implemented, which:

- Give the complainant a single point of contact via an email address.
- Limit the number of times the complainant can make contact, such as a fixed number per term.
- Ask the complainant to engage a third party to act on their behalf, such as [Citizens Advice](#).
- Put any other strategy in place as necessary.

Stopping Responding

The School / Trust may stop responding to the complainant when all of these factors are met:

- The School / Trust believes they have taken all reasonable steps to help address the complainant's concerns.
- The School / Trust has provided a clear statement of the position and the options.
- The complainant contacts the School / Trust repeatedly, and it is believed that their intention is vexatious or malicious or is to cause disruption and/or inconvenience.

The Complainant will be informed when the School / Trust intends to stop responding. However, any new complaints will be considered at Stage 1 of the school or trust policy, as appropriate.

In response to any serious incident of aggression or violence, the Trust will immediately inform the police and communicate the actions in writing. This may include barring an individual from a School/Trust site.

Duplicate complaints

If we have resolved a complaint under this procedure and receive a duplicate complaint on the same subject from a person with parental responsibility for any student in a Penk Valley Academy Trust school, the school will assess whether there are aspects that we hadn't previously considered, or any new information we need to consider.

If we are satisfied that there are no new aspects, we will:

- Tell the new complainant that we have already investigated and responded to this issue, and the process is complete.
- If there are new aspects, we will follow this procedure again.

Complaints not considered

The Trust will not consider complaints under the following circumstances:

- Anonymous complaints (unless there are exceptional circumstances).
- Where the complaint concerns a third party used by the school / Trust or that uses the school / Trust property or grounds to provide a service. The complaint should be sent directly to the third party to respond themselves.
- Complaints that relate to an incident which took place more than 3 months previously (unless otherwise agreed by the School/Trust)
- Complaints made on behalf of a third party.
- Where the complainant has used social media to air their alleged grievance.
- Malicious, serial or duplicate complaints
- Unreasonable or vexatious complaints

All correspondence statements and records relating to individual complaints will be kept confidential, except where the Secretary of State or a body conducting an inspection under section 109 of the 2008 Act requests access to them.

Next Steps.

If the complainant believes the school has not handled their complaint correctly in accordance with this policy they may contact Penk Valley Academy Trust to request a review. Please see the Trust complaints procedure on how to undertake this.

www.Penkvalley.co.uk

If after this the complainant believes the School and Trust did not handle their complaint in accordance with the published complaints procedure or they acted unlawfully or unreasonably in the exercise of their duties under education law, they can contact the ESFA.

The ESFA will not normally reinvestigate the substance of complaints or overturn any decisions made by St John's First School. They will consider whether St John's First School has adhered to education legislation and any statutory policies connected with the complaint and whether they have followed [Part 7 of the Education \(Independent School Standards\) Regulations 2014](#).

The complainant can refer their complaint to the ESFA online at: www.education.gov.uk/contactus, by telephone on: 0370 000 2288 or by writing to:
